## LIST OF DATA

- Burhanudin Napitupulu : *Survey* dalam pengertian sekarang banyak persamaan, tadinya kita sepakat duet sekarang merupakan duet yang ideal.
- Ruhut Sitompul : *The ruling party* sebenarnya kalau kita jujur memang Demokrat dan dengan Pak JK menjadi Ketua umum Partai Golkar mestinya Golkar juga *the ruling party*, marilah kita sama-sama santun
- Burhanudin Napitupulu : Peluang JK dalam Pilpres 2009 sangat baik karena Golkar sangat disenangi orang karena Golkar selalu berhubungan baik dengan semua partai jadi jangan *claim* mungkinkah Golkar dengan PDIP akan koalisi? Mungkin, tapi kalau Demokrat dengan PDIP koalisi? Kan gak mungkin
- Ruhut Sitompul : Tadi kita mendengar sahabat saya Bernard bahawa *last polling* ini lucu, tapi kata dia *polling* Golkar bagus tapi mana kala *polling* Demokrat diatas, eh dia katakana ini pesanan.
- Ruhut Sitompul : Tapi katanya, PDIP tidak mungkin berkoalisi dengan Demokrat. Ingat Bernard! Ketua Pembina PDIP (Bapak Taufik Kemas) makan malam dengan Ketua Partai Demokrat. Tapi mana tahu *last minutes* ini ilmu politik, mana tahu  $2+2 = 11,9$  mana tahu ini permainan
- Burhanudin Napitupulu : Saya kira sama dengan Demokrat. Golkar punya *experiences* yang panjang, kapan dia berangkat kapan dia berhenti, kita telah menorehkan *history* yang panjang, dan Golkar telah menorehkan

sejarang dengan Demokrat selama 4 tahun. Dalam sejarahpun tidak ada dwitunggal selama 4 tahun.

Jhoni Alen Marfun : Pertama, Partai Demokrat tidak pernah mencampuri/ menilai rumah tangga parati lain karena itu bukan merupakan wewenang kita. Kalaupun ada *argument* institusi, jadi saya tekankan sekali lagi Partai Demokrat tidak mencampuri partai lain.

Yamin Pawari : Bahwa banyak sekali masyarakat umum mendesak Partai Golkar, mengapa anda tersinggung? Anda boleh saya mendesak Partai Demokrat, tapi kami menjawab “ itu bukan character Partai Golkar”

Yamin Pawari : Bukan masalah *figure* yang salah ucap tapi hal yang terpenting adalah claim masalah keberhasilan pembangunan, tapi kita lihat bahwa anggaran 20% yang sekarang dianggap keberhasilan Partai Demokrat tapi itu sebenarnya keberhasilan DPR. Bahwa kita tahu sebagian besar anggota DPR berasal dari Golkar. Tidak hanya itu saja, misalnya *claim* perdamaian dan terciptanya keamanan di Indonesia, semua orang tahu *conflict* agama di Poso dan ketidakadilan di Aceh itu adalah keberhasilan Ketua Umum Partai Golkar. Bahwa Negara Jepang dalam hal ini Universitas terkenal di Jepang yang berbasis Agama Budha memberikan penghargaan kepada Yusuf Kalla.

## SUMMARY

Wiwied Dwi Irianto: A.320.040.011. **INDONESIAN – ENGLISH CODE MIXING IN DEBATE OF POLITICAL PARTY ON TV ONE BROADCAST (SOCIOLINGUISTICS APPROACH).**  
Research Paper 2010 Muhammadiyah University of Surakarta.

This research aims to describe the types of code mixing used on Debate of Political Party and to describe cause of Code Mixing by representative Debate of Political Party

This research is a qualitative research. The data are taken from recording, transcribing and classifying the data related with English code mixing in the Debate Party.

. The object of the study is English code mixing used by the representative from Demokrat and Golkar Party in Debate of Political Party on TV ONE. The object collected from one episode: 22/2/2009 at 07.00 pm.

The result of study shows that, the type of code mixing on debate political party there are found Situational Code Mixing and Metaphorical Code Mixing. In Situational Code Mixing there found 12 datum or about 85,8%. In Metaphorical Code Mixing there are found 2 datum or about 14,2%. In metaphorical code Mixing there found need filling motive and Prestige filling motive. In need feeling motive there are found 6 datum or about 43,8% and in prestige feeling motive there also found 9 datum or about 64,2%. The participant on the party debate are using situational code mixing, because the situation and the participant within the debate is only several and certain participant involve. On the party debate, it usually consists of several participants with a high education capability, so code mixing here is very important und useful to stress the main purposes of the debate. That's why situational code mixing is used more than metaphorical code mixing. While the use of need feeling motive and prestige feeling motive has the same (balance) datum because both has similar uses.

Keywords: *Sociolinguistic, code mixing, Political Debate Party.*
